**Re: C0075820 - December Monthly Report (11/1/99-11/30/99)**

Dear Mr. Gibson:

In response to your March 16, 2000 letter, please note that we never received the original February 25, 2000 letter from Ms. Wilkens. As the record will show, this committee has always responded to requests from the Commission in a timely fashion.

Attached, please find an amended December Monthly Report (11/1/99-11/30/99). Line 20, Column B has been corrected on the Detailed Summary Page. Schedule D has also been corrected.

The non-federal Schedule A itemizing the transfers from affiliated committees has been amended to show the duplicate deposit made relating to the administrative code "010". The original transfer was made on November 3, 1999, and was mistakenly taken again on November 30, 1999.

The event year-to-date totals on Schedule H4 have been amended to include the in-kind transactions. Further, Memo Schedule A and Memo Schedule B have been included to itemize the in-kinds.

The ratio 313-325-419 shown on Schedule H2 was correctly reported as being 15% federal and 85% non-federal. That was the same ratio reported to the Commission by the committee on the Amended November Monthly filed with the Commission December 13, 1999. There was no revision made to that ratio.
